## Curriculum and Resource Highlights

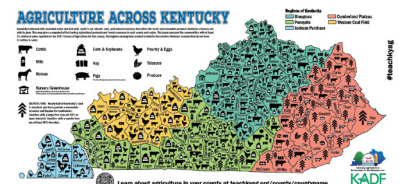

- The Feeding Kentucky: An Agriculture Adventure presentation and companion worksheets were distributed to several schools and educators as part of the Kentucky Farm to School Challenge.
- A curriculum page on food-based lessons was added to the TeachKyAg website for FCS teachers.
- Many schools and teachers were provided chick hatching guides and resources thanks to the Kentucky Poultry Federation.
- The Kentucky Agriculture A to Z Coloring Book was updated and distributed at the Kentucky State Fair through a partnership with the Kentucky Department of Agriculture.
