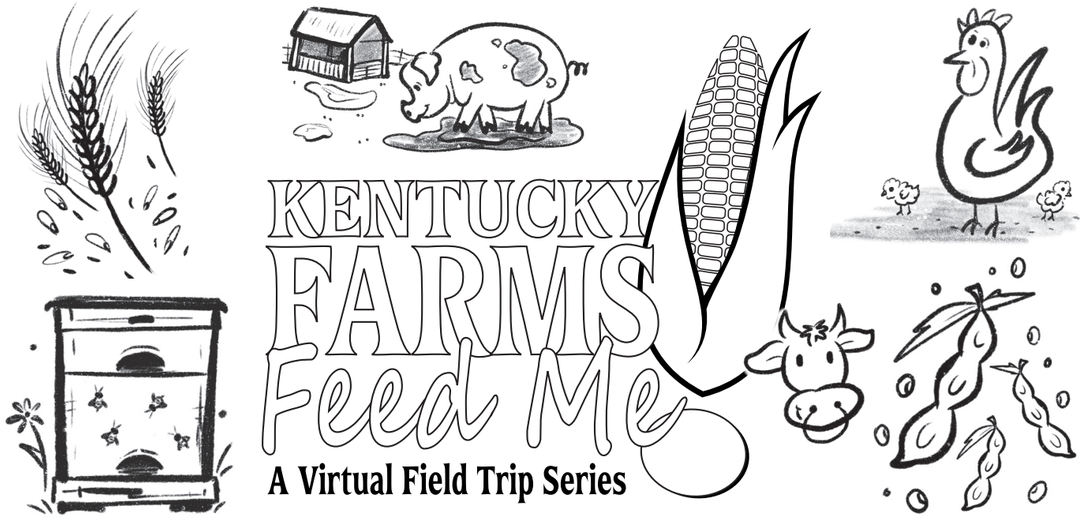
Describe your farm below and explain how your business and products will help your local community.



My Kentucky Farm

Use the stamps to create your dream farm on 100 acres of land in Kentucky.
You may also draw your own crops, animals, and buildings to include.
Think about how you can best serve your community. Feel free to work with other farmers in your class or group to meet the food and fiber needs of society.

Complete the writing activity on the back when you are finished.

Your Name _____

Farm Name _____
