

Agriculture Literacy Network Member Workshop

February 2, 2018

Morehead State Conference Center, Morehead, KY

The Agricultural Literacy Network was formed to provide training, services and resources to those interested in educating students and the public on agricultural topics. This is our third workshop to get the right tips and tools into the hands of our agricultural community.

AGENDA

All times are ET

NEW MEMBER SESSION

9:00 a.m. – Registration opens and participants are free to look at displays and resources.

9:30 a.m. – Programs Overview & the Ultimate Guide to Ag Literacy in Kentucky

Wonder what is the right lesson for the grade level in which you have been asked to present? Has a teacher asked you to cover a specific academic standard? KyAEC will present the "Ultimate Guide to Ag Literacy Programs in Kentucky" to help volunteer and farm educators determine the right activities for their age groups. Participants will be able to practice several lessons.

NOON – LUNCH FOR BOTH SESSIONS

NEW & RETURNING MEMBER SESSION

1:00 p.m. – New Resources and Programs

We will review new resources and programs that were added in 2017: Kentucky Farms Feed Me Virtual Field Tip Curriculum, The Farm as an Ecosystem, and engAGe Kentucky.

2:30 p.m. – Success Stories and Idea Sharing

ALN Members will share how they grew agriculture literacy in their communities through the Sponsor a Classroom program, events, and school outreach. This is sure to generate a lot of ideas for what will work in your community.

3:30 p.m. – Wrap-Up

Participants will receive 1) an agriculture literacy guide to help them determine what activities and resources work best for each grade level or situation; 2) a flash drive full of resources (videos, power points, and printable coloring/worksheets); 3) a NEW Kentucky Farms Feed Me Curriculum Guide full of activities for all our major commodities and agriculture subjects; and 4) 20% off all other available resources, including our coveted Kentucky agriculture presentation posters. Returning participants may receive additional perks.

Registration fee is \$50 per person.

Register online at www.teachkyag.org or contact Jennifer Elwell at 502-921-2625 or jennifer@teachkyag.org.

The Agriculture Literacy Network is a program of Kentucky Agriculture & Environment in the Classroom and supported by the Kentucky Agriculture Development Fund.
